# **INVITATION**

Date : 3 / 12 / 09

Dear Colleagues,

Greetings from Childhood Disability Group of IAP, Sweekaar, NIMH and Organizing Committee.

It gives us great pleasure and honour to extend the invitation to all of you for the **Pre - Conference Workshop on Early Intervention.**

You will be our honoured delegate at Sweekaar. **Free Registration Certificate and delegate kit will be given from Organizing Committee PEDICON 2010.**

In this Conference, experienced, reputed senior faculty are delivering lectures and giving **hands on experiences** in 5 work stations. You will have wonderful opportunity to renew old ties, friendship, discuss important issues, exchange ideas, share knowledge and experiences in the area of Early Intervention to the persons with disabilities of all types.

The theme of the conference is **Early Intervention – Catch them young.**

There is a lot to be done for the disabled. Early Intervention workshop is being organized with the sole aim to sensitize and bring the awareness to prevent disability, early diagnosis, early assessment, early intervention and early rehabilitation.

Sweekaar is a model in the country where all types of disabled, are cared by all types of specialists for all age groups under one roof. It is a cost effective, quick service delivery model and a one stop service centre with a motto “ **Rehabilitation from Womb to Tomb** ”.

This workshop is organized in collaboration with NIMH to care the uncared, to reach the unreached child with special needs. Please participate in the conference, Register yourself, strengthen our mission to serve more number of these **special children** with different disabilities.

Keep close to your heart rehabilitation of the disabled child.

With warm Regards.

( **Dr. Anand Prasad Balky** )  
Organizing Secretary
